MCA, MCA

Address : #23/c , 14th main 1st cross , Vijayanagar 1st stage, Mysuru

Summary

Enthusiastic MCA student and aspiring full-stack developer with a strong foundation in programming and web development. Passionate about learning new technologies, building efficient applications, and solving real-world problems. A quick learner and team player eager to contribute to impactful projects

Education

Amrita Vishwa Vidyapeetham , Mysore	2026
MCA · Computer Science · Mysuru	CGPA - 7.73/10
SBRR MAHAJANA FIRST GRADE COLLEGE	2024
BCA (Bachelor of Computer Application) · COMPUTER SCIENCE · Mysuru	Percentage - 87.98%
GOVERNMENT MAHARAJA PU COLLEGE	2021
Class XII - DEPARTMENT OF PRE-UNIVERSITY EDUCATION · EBACs · Mysuru	Percentage - 86%
Sri Sathya Sai Baba High School	2019
Class X - KARNATAKA SCHOOL EXAMINATION BOARD · Mysuru	Percentage - 85%

Experience

Win Research Center	Jan 2021 - Mar 2021
Frontend Developer · Developer · Part-time	Mysuru
<ul style="list-style-type: none">Contributed to the improvement of a Generative AI web application, enhancing usability and functionality.Implemented dynamic loading, chatbot integration, and API connectivity using React.js and Tailwind CSS.Improved application performance by reducing API load time by 15% and optimizing data flow with Redux Toolkit.Designed Firebase authentication for seamless Google OAuth integration.Automated web data collection through custom scripts, improving operational efficiency and responsiveness.	

Projects

E-commerce website	Jan 2025 - Mar 2025
MERN Stack	Web technology
<ul style="list-style-type: none">Developed a full-stack e-commerce platform with features like user authentication, product catalog, shopping cart, order management, and secure checkout.Designed a responsive and intuitive user interface using React.js and Tailwind CSS to enhance user experience across devices.Built a robust back-end with Node.js and Express.js, implementing RESTful APIs for product and user operations.Integrated MongoDB for efficient and scalable product, user, and order data management.Implemented user registration, login with JWT authentication, and admin dashboard for managing inventory and orders.Enabled real-time updates and maintained seamless front-end/back-end communication for smooth user interaction	
Movie Recommender	Nov 2024 - Dec 2024
Python , Django , Flask	Machine learning
<ul style="list-style-type: none">Developed a content-based movie recommendation system that suggests similar movies based on user input.Used Pandas and NumPy for data preprocessing and manipulation of movie metadata and ratings datasets.Implemented similarity algorithms like cosine similarity using Scikit-learn to compute movie recommendations.Built an interactive and user-friendly web interface using Streamlit, allowing users to input movie names and receive real-time suggestions.Enhanced user experience with clean UI, search functionality, and dynamic filtering options.Focused on efficient model performance and responsiveness for real-time interaction.	

Certifications

Software Engineering Link Infosys Spring Board	Mar 2025 - Present
<ul style="list-style-type: none">Successfully completed the Software Engineering program offered by Infosys Springboard.Gained knowledge in software development life cycle (SDLC), object-oriented programming, version control, and best practices in software design.Enhanced understanding of real-world application development, debugging, and deployment techniques.	

Introduction To Modern AI CISCO	Mar 2025 - Present
<ul style="list-style-type: none">Completed a foundational course on modern Artificial Intelligence offered by Cisco.Gained insights into AI concepts including machine learning, deep learning, natural language processing (NLP), and computer vision.Explored real-world AI applications, ethical considerations, and the future of AI across industries	

Extra Curricular Activities

Internship Internship in a software development company.	Jan 2024 - Mar 2023
Volunteering Volunteered for College community service organization.	Oct 2021 - May 2024

Languages

Programming Languages: Java, Python, Javascript
Languages and Frameworks: Reactjs, Nodejs, Django
Tools and Technologies: SQL, Wordpress

Languages

Kannada [Native Proficiency], English [Elementary Proficiency], Hindi [Fundamental Proficiency]
